

SuperPort S3

The Palm Size 65W Dual PD & GaN
3-port Laptop Charger

| A 65W Charger Fits in Your Palm

SuperPort S3 is designed to be ultra-compact and travel-friendly. Adopting industry leading GaN technology, SuperPort S3 is able to provide 65W Power Delivery output in a tiny size. It is 50% smaller than Apple 61W power adapter. SuperPort S3 is easy to pack and carry, fits in your bag or even pocket.

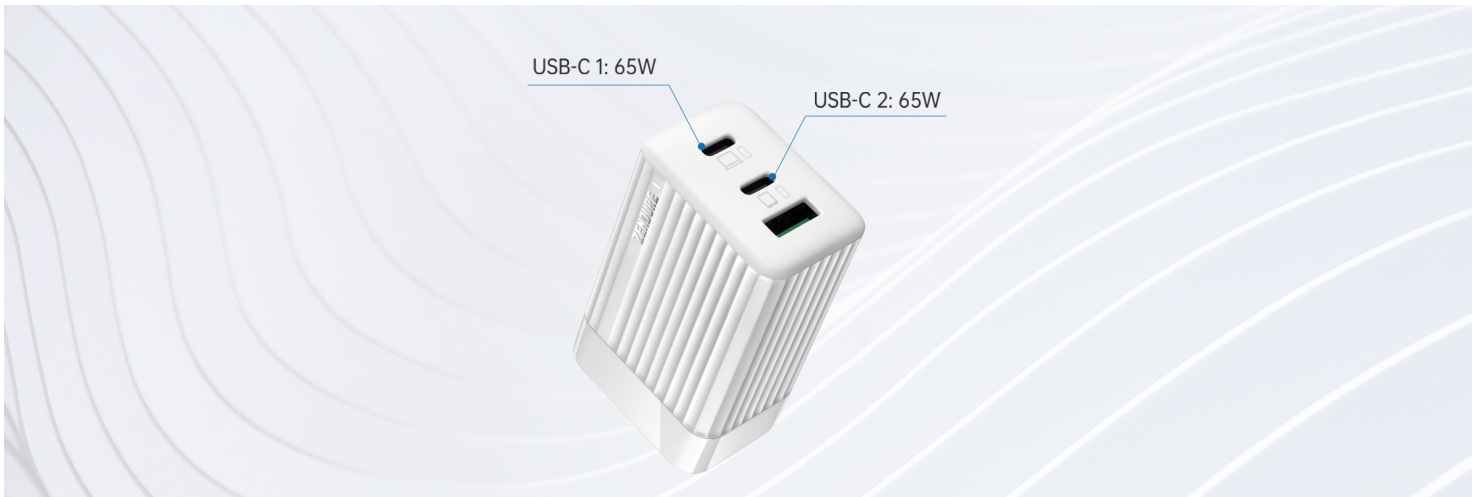

| 65W Power Delivery, Fast Charge Laptops and Other Devices

SuperPort S3 provides 65W Power Delivery output, which is able to fast charge most of latest USB-C laptops, including MacBook Pro, Google Pixelbook, HUAWEI Mate-Book and more. With 65W Power Delivery, SuperPort S3 can fully charge your 13" MacBook Pro in 2 hours or power iPhone 11 Pro up to 50% in half an hour.

| Power 3 Devices Simultaneously

SuperPort S3 equips with two USB-C ports and a USB port, and both USB-C ports provide 65W Power Delivery output. You can power three devices simultaneously with a maximum combined 60 W output for different usage scenarios with SuperPort S3, no need to carry a bulky of charger any more.

| Cooler with Cutting-Edge Technology

SuperPort S3 adopts Silicic Pouring Sealant as thermal conductive materials. It is able to conduct internal operation heat and cooling the operation temperature by 10 degrees Celsius, which helps SuperPort S3 stays in a cool condition when it is charging devices.

| Packed with Features

- The aesthetic and unique Roman Pillars Stripe design helps SuperPort S3 stands out from other chargers.
- Widely compatible with your latest devices and support mainstream smartphone fast charge protocols (PD 3.0, QC 4.0/3.0, HUAWEI SCP/FCP, PPS and AFC) for Apple, Samsung, HUAWEI and more.
- A combination of 10 safety features work together to provide ultimate protection on charging.
