

## COMPACT SIZE

This lightweight and compact car charger offers convenient access, while its unobtrusive, low-profile design won't get in the way of other controls to help ensure safety while driving.

## AUTO-ON FUNCTION

It will turn itself on automatically when connected to compatible devices.

## QC 3.0 TECHNOLOGY

Built with the most advanced QC 3.0 chip possible, your devices maintain optimal charging speeds for lightning-fast results that also save on energy costs.

## DUAL USB PORTS

Dual smart USB ports quickly and easily identify your mobile devices, to provide optimal charging efficiency.
